Aphrodite's Experience for Two

A couples package that blends warmth and quiet connection. Begin with a 60-minute full-body massage designed to ease tension and bring you both into the same calm rhythm. Then slip into a 60-minute floral soak crafted to nourish and soften the skin. The Aphrodite Bath Bomb infuses the water with notes of Bulgarian rose and Madagascar vanilla for a subtly decadent finish. Your time together ends with sweets to share and a rose to take home.

120 minutes - \$1,100

Galentines Duet

A shared escape for two friends. You'll alternate between a tension-relieving back, neck, and shoulder massage and our Dry Float Table. The steady rhythm of hands-on work and cocooned weightlessness creates an easy, feel-good revival designed to enjoy together, without the romance.

90 minutes - \$550

Me, Myself and Eau

Begin with a full-body massage that releases tension and prepares the body for deeper relaxation. Then transition to our Quartz Sand Table, where dynamic flow massage, gentle inversion and the warmth of contouring quartz work together to ground the body and renew your sense of vitality.
